DESIGN EXPERIENCE

Design-internship at VENCZEL
July 2017 to September 2017.
VENCZEL is an accessory design company based in Copenhagen, Denmark. I worked with design, sourcing, PR, pattern-making and craft of the leather- and fabricbags.

Design-internship at Friihof & Siig
June 2015 to August 2015.
Friihof & Siig is a jewellery company based in Herning, Denmark. I worked with design, crafting, advertising and photography.

Designer and innovator at 6000 plants
March 2017 and still going.
6000 plants is an urban garden community based in Kolding, Denmark. In collaboration with Kolding Kommune and two classmates I've started this urban and social society that helps citizens make green choices locally.
