This year we go across the country and continent to find the most amazing tech and tech-enabled start-ups that are solving Africa's problems.

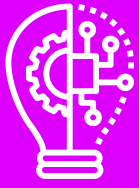

Find the right enabler, investor, corporate or entrepreneur on our Match and Invest platform, geared to help you take your business forward.

We will take a deep dive into what it takes to become a Rockstar Entrepreneur in Africa and taking the business to the rest of the world.

Introducing Start-Up to Scale-Up: equipping the young start-up with the tools to grow and expand their business beyond borders.

#SAIS2020 is bringing inspiration and connection. Don't miss it!
